& Magazines**

In Eagle County
81%
of your waste
can be diverted
from the landfill
by recycling and
composting!

Sorting Dual Stream

If you use the local drop-sites or have dual stream recycling at your curb, here's how you sort

BIN #1: PAPER

Newspaper | Magazines | Office Paper
Paperboard

BIN #2: COMMINGLE

Glass | Aluminum | Tin | Plastic

Cardboard can only be recycled at a drop-site and has its own bin

Compost

If you have curbside compost or use a drop-site this is what goes in the bin

All Food Scraps
NO STICKERS OR
PACKAGING

Garden Clippings

**BPI Certified
Compostable
Products**

Paper Products
EVEN IF DIRTY
OR WET

Don't have compost yet? Join a drop-site!
